

Power Is Personal

If you're a Time-of-Use (TOU) customer, you now have a choice. You can choose to switch to Tiered prices.

Time of Use Pricing: The price depends on when you use electricity. You can help manage your electricity costs by shifting your usage to lower price periods when possible.

Tiered pricing: With Tiered pricing, you can use a certain amount of electricity at a lower price. Once you exceed that limit, a higher price applies.

Considering a switch? Use your own electricity usage information from your bill and our calculator to see, side-by-side, what your total bill would look like under TOU and Tiered prices.
